

## ADAPTATION RULES

Below are the adjustments that require adaptation due to the changes made in the 2020-2021 education plan, which will take effect in the 2024-2025 academic year, along with their related principles. The adaptation principles stated here apply to students who are subject to the 2020-2021 or earlier education plans (those enrolled before the 2024-2025 academic year).

### **Adaptation 1:**

Students who have not taken, have failed, or wish to retake the **IE 227 Introduction to Probability (3 2 4) ECTS: 6** course by the 2024-25 Academic Year will take the same course with increased ECTS credits (ECTS: 7) starting from the 2024-25 Academic Year.

### **Adaptation 2:**

Students who have not taken, have failed, or wish to retake any of the following courses by the 2024-25 Academic Year:

- **IE 302 Facilities Design and Location (4 0 4) ECTS: 6**
- **IE 326 Quality Engineering (4 0 4) ECTS: 6**
- **IE 366 Manufacturing and Service Systems Planning II (4 0 4) ECTS: 6**

will take the same course(s) with increased ECTS credits ((4 0 4) ECTS: 7) starting from the 2024-25 Academic Year.

### **Adaptation 3:**

Students who have not taken, have failed, or wish to retake the **IE 408 Systems' Analysis (1 4 3) ECTS: 8** course by the 2024-25 Academic Year will take the **IE 408 Systems' Analysis (1 4 3) ECTS: 7** course starting from the 2024-25 Academic Year.

### **Adaptation 4:**

Students who have not taken, have failed, or wish to retake the **IE 446 Project Engineering Management (3 0 3) ECTS: 4** course by the 2024-25 Academic Year will take the same course with increased ECTS credits (ECTS: 5) starting from the 2024-25 Academic Year.
